

# MIGORI COUNTY FISHERIES AND AQUACULTURE ACT NO 7 OF 2016

## ARRANGEMENT OF CLAUSES

Clause

### PART I— PRELIMINARY

1. Short title
2. Application
3. Interpretation

### PART II— ADMINISTRATION

4. Function of the director

<b>PART III—FISHERIES AND AQUACULTURE MANAGEMENT</b>
DEVELOPMENT MEASURES

5. Fisheries
6. Intergovernmental agreements and arrangements
7. Relation between national and county government
8. Fisheries

<b>PART IV—FISHERIES MANAGEMENT</b>
MEASURES

9. Fisheries Management Measures

- 10.** Manner of publication of Notice
- 11.** Fisheries Statistics and information

#### PART V – MONITORING, CONTROL AND SURVEILLANCE

- 12.** CEC Member may prescribe monitoring devices
- 13.** Fish landing
- 14.** .Limitation of fishing
- 15.** Prohibited methods of fishing

#### PART VI –REGISTRATION AND LICENSING

- 16.** Registration of fishing
- 17.** Application for fishing vessels license
- 18.** Validity of fishing licenses
- 19.** Requirement for a fishing license
- 20.** Validity of fishing licenses
- 21.** Cancellation or suspension of fishing license
- 22.** Appeals on cancellation or suspension
- 23.** Fees and other charges

#### PART VII –OTHER LICENSES’

- 24.** Other licenses requirements
- 25.** Sport fishing license
- 26.** Fishery scientific research and test fishing or surveys

## PART VIII –ENFORCEMENT

- 27.** Powers of authorized officers
- 28.** Seizure of vessel by authorized officer
- 29.** Seizure of vehicle by authorized officer
- 30.** Immobilizing of seized vessel vehicle
- 31.** Power of authorized officer to direct persons under his command
- 32.** Duty to comply with instructions
- 33.** Powers beyond county fisheries waters
- 34.** Identification of authorized officer
- 35.** Compounding of offences
- 36.** Offences committed against an authorized officer.
- 37.** Impersonating an authorized officer
- 38.** Destruction of evidence and avoidance of seizure
- 39.** Receiving fish in respect of which offence has been committed

## PART IX –PROSECUTION, HANDLING OF SEIZED GOODS AND EVIDENCE

- 40.** Conduct of prosecutions Cap 75
- 41.** Forfeiture and disposal of perishables
- 42.** Treatment of seized goods
- 43.** Application of security
- 44.** Liability for loss, damage or deterioration of things in custody

- 45.** Removal from custody
- 46.** Forfeiture
- 47.** Certificate of evidence
- 48.** Effect of conviction

#### PART X-THE FISHERIES DEVELOPMENT TRUST FUND

- 49.** Fisheries revolving fund

#### PART XI –PREVENTION OF POLLUTION AND PROTECTION AND CONSERVATION OF COUNTY FISHERY WATER

- 50.** Pollution prevention zone
- 51.** Discharge of pollutant prohibited
- 52.** Placing of live fish

#### PART XII –AQUACULTURE DEVELOPMENT

- 53.** Regulation for Aquaculture
- 54.** Co-operation with other bodies

#### PART XIII –FISH SAFETY AND QUALITY

- 55.** Devolved competent Authority
- 56.** Harmonization of safety and quality standards

#### PART XIV –COMMUNITY PARTICIPATION

- 57.** Establishment of Beach Management Units

**58.** Promotion of fish production and marketing

PART XV-MISCELLANEOUS PROVISIONS

**59.** Regulations

**60.** Supersession

	<p style="text-align: center;"><b>THE FISHERIES AND AQUACULTURE BILL, 2015</b></p>
	<p style="text-align: center;">A Bill for</p> <p style="text-align: center;">An Act of the County Government of Migori to provide for the sustainable utilization, management and development of Fisheries, Aquaculture and other Aquatic resources and for connected purposes</p> <p style="text-align: center;">ENACTED by the County Assembly of Migori County as follows</p> <p style="text-align: center;">—</p>
	<p style="text-align: center;"><b>PART I — PRELIMINARY</b></p>
Citation and commencement.	<p>1. This Act may be cited as the County Government of Migori Fisheries and Aquaculture Act, 2016 and come into operation on such a date as the County Executive Committee member responsible for fisheries, with the concurrence of the Governor, may appoint and different dates may be appointed for different provisions.</p>
Application.	<p>2. This Act shall apply to all of Migori County Fishery waters and related fisheries activities and establishments</p>

Interpretation.

	<b>PART II ADMINISTRATION</b>
Functions of the Director	<p>4. (1) The Director shall, subject to the directions of the CEC Member through the Chief Officer, be responsible for the administration of this act</p> <p>(2) (a) the Director may, in writing, delegate the exercise of any of the powers and functions conferred upon him by this act to such authorized officers or other government agencies as he may think fit</p> <p>(b) Save that in the exercise of powers in sub section (a) above, the Director shall detail interagency collaboration framework where more than one agency is involved.</p>
	<b>PART III—<del>FISHERIES</del> AND AQUACULTURE MANAGEMENT</b>
	<b>DEVELOPMENT MEASURES</b>

<p>Fisheries development measures.</p>	<p>5. The Director may, in consultation with other appropriate agencies and other departments of Government, promote the development of traditional and industrial fisheries, aquaculture and related industries through—</p> <ul style="list-style-type: none"> <li>(a) providing a framework of extension and training services;</li> <li>(b) Up scaling of fin fish, crustacean and sea weed culture</li> <li>(c) Demarcation of fish breeding areas</li> <li>(d) Development and maintenance of fish handling and marketing infrastructure across the value chain</li> <li>(e) Development of fish hatcheries and multiplication centers (county fish seed bulking units).</li> <li>(f) promoting co-operation among fishers;</li> <li>(g) spearheading arrangements for the orderly marketing of fish;</li> <li>(h) stocking waters with fish and supplying fish for stocking;</li> <li>(i) promoting the adoption of alternative means of livelihood amongst fishers;</li> <li>(j) promoting the development of ornamental fisheries;</li> <li>(k) providing for the establishment of investor - friendly licensing and approval systems;</li> <li>(l) developing a comprehensive fish marketing, system, including fish auction, through strengthening of linkages along the market value chain;</li> <li>(m) encouraging persons in the private sector to organize into associations and form a County coordinating mechanism to ensure efficient marketing systems that that adhere to sanitary and phytosanitary requirements;</li> <li>(n) facilitating participation in County, national, regional and international trade negotiations and meetings;</li> <li>(o) promoting value addition and utilization of fish by - products and by catch; and</li> <li>(p) Provide for the establishment of fish safety and quality infrastructure facilities.</li> </ul>

<p>I n t e r - governmental agreements and arrangements</p>	<p>6 (1) The CEC member may by notice in the gazzete, with the approval of the County Assembly enter into an inter-governmental agreement establishing a collaboration framework and arrangements with other County Government/s having shared interests in the sustainable utilization and management of Fisheries and Aquaculture resources with the County Government of Migori.</p> <p>(2) The Director shall give notice on any management measures resulting from an inter-governmental fisheries and aquaculture management agreement or arrangement to which the County Government of Migori is or becomes a party to pursuant to sub-section (1);</p>
<p>Relation between National and county governments</p>	<p>7.(1) The Director shall in consultation with the CEC member ensure that the national government is kept informed of County management of fisheries and aquaculture in accordance with any written national laws regarding fisheries and aquaculture management..</p>

<p>Fisheries management plans.</p>	<p>8. (1) The Director may in consultation with the CEC Member through the chief officer, by notice in the Gazette establish a management plan for each fishery in such form as he may deem appropriate.</p> <p>(2) Prior to publication of the management plan under subsection (1) the Director shall cause a draft plan to be prepared and shall take reasonable steps to engage in consultation thereon with all interested persons.</p> <p>(3) A management plan shall take effect upon approval by the CEC Member and its publication in the Gazette.</p> <p>(4) A management plan for a fishery must state—</p> <ul style="list-style-type: none"> <li>(a) a description of the fishery;</li> <li>(b) the known status of the fishery;</li> <li>(c) the objectives of the management plan;</li> <li>(d) how the objectives are to be achieved;</li> </ul>
	<p>(e) how the plan may be amended or repealed, including the consultation and other processes to be followed before amendment or repeal.</p> <p>(5) In establishing a management plan under section 8(1) the director shall give effect to agreed management measures by parties sharing Lake Victoria.</p> <p>(6) The management plan may make provision about anything prescribed in this Act or any subsidiary regulations</p>
	<p>FISHERIES MANAGEMENT MEASURES</p>

<p>Fisheries Management Measures.</p>	<p>9. ( 1)The Director may with the approval of the CEC Member through the chief officer, by notice in the Gazette, impose any of the following measures which may be necessary for the proper management and control of any fishery—</p> <ul style="list-style-type: none"> <li>(a) closed seasons for designated areas, species of fish or methods of fishing;</li> <li>(b) prohibited fishing areas for all or designated species of fish or methods of fishing;</li> <li>(c) limitations on the methods of gear, including mesh sizes of nets, that may be used for fishing;</li> <li>(d) limitations on the amount, size, age and other characteristics and species or composition of species, of fish that may be caught, landed or traded;</li> <li>(e) regulate the landing of fish and provide for the management of fish landing stations;</li> <li>(f) control of the introduction into, or harvesting or removal from, Migori County fishery waters of any aquatic plant;</li> <li>(g) define and identify fragile aquatic ecosystems including fish breeding areas and provide structures to enable collaborative protection; and</li> <li>(h) Provide for the regulation of identification of trade in endangered species.</li> <li>(i) Any other measures pursuant to this law</li> </ul>
	<p>(2) Where the use of any gear is prohibited in any area, the Director may also, by notice in the Gazette, prohibit the possession, trade or manufacture of the gear in that area.</p> <p>(3) Any person who contravenes the provisions of a notice issued under this section commits an offence and is liable on conviction to a fine not exceeding five hundred thousand shillings or imprisonment for a term not exceeding one year or to both.</p> <p>(4 ) Any Director who contravenes the provisions of a notice issued under this section commits an offence and is liable on conviction to a fine not exceeding five hundred thousand shillings or imprisonment for a term not exceeding one year or to both.</p>

Manner of publication of notice.	<p>10. Where under the Act or its Regulations the Director may exercise any power by notice, the notice shall be—</p> <p>(a) published in County Gazette; or</p> <p>(b) exhibited at each place where a register of licences, permit or certificate of registration is kept pursuant to these Regulations.</p>
Fisheries Statistics and information.	<p>11. (1) The Director may by notice in writing direct any person whom he is satisfied is suitably qualified to undertake the periodic stock assessment of all the fishery waters and collect and analyse statistical and other information on fisheries and forward the same to the Director.</p> <p>(2) Every person engaged in fisheries and aquaculture value chain shall supply such information regarding these activities in such form as the Director may require.</p> <p>(3) No person who receives information pursuant to this section shall use or disclose it except for the purposes of this Act.</p> <p>(4) The holder of any licence, authorization, certificate or permit issued under this Act or any Regulations made there under shall submit at such times as the Director may specify, data or information in respect of his business in the form prescribed by the Director.</p>
	<p>(5) Any data collected under this section shall be maintained in a database in such form as the Director may determine.</p> <p>(6) Any person who contravenes the provisions of a notice issued under this section commits an offence and is liable on conviction to a fine not exceeding fifty thousand shillings or to imprisonment for a term not exceeding six months or to both.</p>
	<p><b>MONITORING, CONTROL AND SURVEILLANCE</b></p>
CEC Member may prescribe monitoring devices	<p>12. (1) The CEC Member may, by notice in the Gazette, designate any device or machine or class of device or machine as an observation device for use in the monitoring and surveillance of fishing vessels.</p> <p>(2) Monitoring and surveillance of vessels shall be carried out in such manner as the CEC Member may prescribe through regulations.</p>

Fish landing stations.	<p>13. (1) The Director may with the approval of the CEC Member through the chief officer establish suitable areas to be gazzeted Fish Landing stations,</p> <p>(2)the gazette notice issued under sub section 1 shall provide for mode of the delineation of fish landing stations</p> <p>(3) No person, other than a sport fisherman, shall land any fish at any point except at a fish landing station</p>
Limitation of fishing.	<p>14. (1) Where proper management of fisheries requires limitation of the number of persons or of vessels, nets or areas or other means employed in a fishery, the Director may by notice in writing communicate in such manner as to bring it to the attention of persons affected thereby, and to revise them to effect the limitation.</p> <p>(2) The Director may for the purposes of sub-section (1) put in place such other measures as may be appropriate.</p> <p>(3) The measures referred to in subsection (2) may include —</p>
	<p>(a) refusal to issue or renew licences;</p> <p>(b) imposition of special licence and catch fees; or</p> <p>(c) preferential licensing in other fisheries,</p> <p>for a period specified in the notice.</p> <p>(4) (a) A person aggrieved by the action taken by the Director under subsection (1) may appeal in writing to the CEC Member who shall give a verdict within thirty days .</p> <p>(b) If the CEC member fails to communicate the verdict within the duration stipulated in subsection 4(a) then the Director’s decision holds.</p>
Prohibited methods of fishing	<p>15.. (1) No person shall use any explosives, poisonous or noxious substances or electric shock devices for the purpose of killing, stunning, or disabling fish so as to render them more easily caught.</p> <p>(2) Any person who contravenes the provisions of this section commits an offence and is liable on conviction to a fine not exceeding five hundred hundred thousand shillings or to imprisonment for a term not exceeding three years, or to both.</p>
<b>PART IV—REGISTRATION AND LICENSING</b>	

16.(1) No person shall introduce any new vessel for fishing in Migori County fishery waters unless there is in force in relation to the vessel a valid certificate of registration.

(2) A certificate of registration in the prescribed form may on application to the licensing committee and on payment of the prescribed fee be issued by a licensing officer to the owner of the vessel.

(3) Every vessel in respect of which a certificate of registration is issued under this Act shall be issued with a reflective number plate marked in such manner as the Director may require. A registration certificate issued to a fishing vessel under this section shall unless earlier revoked or suspended, remain valid for the rest of the life of the vessel

(4) The Director shall cause to be kept a register of all vessels registered under this Act which shall be entered the following details in respect of the vessels.

- a) Name and particulars of the owner
- b) Type of boat
- c) Body type
- d) Total length
- e) Colour
- f) Year of manufacture

(5) The CEC Member may, by notice in the Gazette, exempt any fishing vessel used only for sport fishing other than for reward or profit from the requirements of subsection (1).

(6) The Director, where he is satisfied that a fishing vessel inspected under this section is fit for fishing and meets the prescribed safety and hygiene standards, issue a certificate of registration in respect of that vessel upon payment of the prescribed fee by the applicant.

(7) In any court proceedings brought under this Act, the entry in respect of a vessel in the Fishing Vessel Register, or any other register maintained by the Director under this section, shall be prima face evidence of the ownership of the vessel.

(8) Any person who uses any vessel for fishing in Migori County fishery waters without a valid certificate of registration for that vessel shall be guilty of an offence.

(9) The requirements under this section are in addition to and not in derogation from any requirement for registration under any other law relating to vessels.

<p>Application for fishing vessel licence</p>	<p>17. (1) An application for a fishing vessel licence shall be made in the prescribed form to a licensing committee through a licensing officer.</p> <p>(2) Upon receipt of an application under subsection (1) and on payment of the prescribed fee, a licensing officer shall, subject to any licensing instructions of the Director, issue a licence for the fishing vessel.</p> <p>(3) A licence issued under this section shall be subject to such conditions as may be prescribed under this Act or as may be endorsed upon the licence by the licensing officer.</p> <p>(4) The master and owner of a fishing vessel which any person uses or attempts to use in fishing or any fishing operation without a fishing vessel licence issued under this section, and a fisherman's licence issued under section 20 (1) shall each be guilty of an offence and liable to a fine not exceeding five thousand shillings or to imprisonment for a term not exceeding one year or to both.</p>
	<p>(5) The master and owner of a local fishing vessel whose licence conditions under this section are contravened shall each be guilty of an offence and liable to a fine not exceeding twenty thousand shillings or to imprisonment for a term not exceeding one year or to both</p>
<p>Validity of fishing vessel licence</p>	<p>18.(1) A fishing vessel licence shall, unless earlier revoked or suspended, expire on the 30<sup>th</sup> June of the financial year in which it was issued</p> <p>(2) The Director may revoke or suspend a licence in respect of a fishing vessel at any time before it expires if the holder of the licence is convicted of any offence under this Act or if in the judgment of the Director the action is necessary for the proper management of fisheries.</p>
<p>Application for fishing vessels licence.</p>	

Requirement for a fishing licence	<p>19. (1) No person other than persons fishing for their own consumption shall catch or assist in catching fish in Migori County fishery waters otherwise than under and in accordance with the terms and conditions of a valid licence issued to him under this Act.</p> <p>(2) The CEC Member in consultation with the director and other stake holders may by order published in the Gazette determine the quantity of fish which may be deemed to be fish for own consumption under subsection (1), and different quantities may be determined for different areas of the County.</p> <p>(3) Each licence issued under this Act shall be valid for such species of fish, type of fishing gear, method of fishing and area as may be specified in the licence.</p> <p>(4) It shall be a general condition of any licence issued under this Act or regulations made thereunder that the licensee shall comply with such requirements as the Director may establish concerning the making of statistical returns and the collecting of information.</p>
	<p>(5) Any person who catches fish for commercial purposes in Migori County Fishery waters without a license, or in contravention of the conditions attached to a licence issued under this Act, commits an offence and shall be liable on conviction to a fine not exceeding five thousand shillings.</p>
Validity of fishing licences.	<p>20. (1) Unless otherwise provided under this Act, any licence issued under this Act shall, unless earlier cancelled or suspended in accordance with section 21(1), expire on the 31<sup>th</sup> December of the calender year in which it is issued.</p> <p>(2) Except as may be prescribed in connection with any scheme for limiting fishing effort in any fishery or for the purposes of participatory rights, no licence issued in respect of any fishing vessel under this Act shall be transferable to any other vessel except with the written permission of the Director.</p>

Cancellation or suspension of fishing licence.	<p>21.(1) A fishing licence may be revoked or suspended where the Director is satisfied that—</p> <p>(a) it is necessary to do so in order to give effect to any licensing programme or participatory right, scheme or other effort control programme specified in the fishery management plan; or</p> <p>(b) the vessel in respect of which the licence has been issued has been used in contravention of this Act or any regulations made thereunder, or of any condition of the licence, or in breach of any applicable access agreement or arrangement.</p> <p>(3) Where a fishing licence, has been cancelled or suspended under subsection (1), the cancellation shall not take effect until the licensee has been notified accordingly.</p> <p>(4) Any notification given under subsection (3) shall be in writing.</p>
Appeals on cancellation or suspension.	<p>22. Any person aggrieved by —</p> <p>(a) the refusal of the Director to issue or renew a licence; or</p> <p>(b) the cancellation or suspension of a licence issued</p> <p>may within thirty days of the receipt of notification appeal to the CEC Member who may vary or stay the Directors decision.</p>
Fees and other charges.	<p>23. There shall be payable in respect of every licence issued under this Act such fees and other charges as may be prescribed vide gazzete notice.</p>
	<p>OTHER LICENSES</p>

Other licences requirements.	<p>24. (1) The CEC Member may, in addition to issuing licences for fishing vessels, make regulations requiring a licence for any fishery activities, including sport fishing or the use of any gear or method of fishing, with or without the use of a vessel, or for fish processing or fish trading and movement..</p> <p>(2) Any person who engages in any activity, for which a licence is required by section (1) otherwise than under the authority of such a licence, commits an offence and shall be liable for a first offence, to a fine not exceeding fifty thousand shillings or to imprisonment for a term not exceeding six months; and for a second or subsequent offence, to a fine not exceeding two hundred thousand shillings or imprisonment for a term not exceeding one year, or to both.</p>
Sport fishing licence.	<p>25.(1) No fishing vessel shall be used for sport fishing for hire or reward in the Migori County fisheries waters without a sport fishing vessel licence issued by the Director.</p> <p>(2) The Director may issue a commercial sport fishing vessel licence to any vessel described in sub-section (3).</p>
	<p>(3) A sport fishing vessel licence shall be valid only for such areas, methods of sport fishing, and type and quantity of sport fishing gear as may be endorsed on the licence.</p> <p>(4) A sport fishing vessel licence, unless earlier cancelled or suspended in accordance with section 20(1), shall be valid for the period stated thereon.</p> <p>(5) Where a fishing vessel is used in contravention of sub-section (1), the master, owner and charterer of that vessel commit an offence and shall each be liable upon conviction to a fine not exceeding three hundred and fifty thousand shillings or to imprisonment for a term not exceeding two years, or to both.</p> <p>(6) Where a fishing vessel is used in contravention of any condition of licence issued under this section the master, owner and charterer of that vessel commit an offence and shall each be liable on conviction to a fine not exceeding two hundred thousand shillings or to imprisonment for a term not exceeding one year, or to both.</p> <p>(7) The CEC Member may prescribe different classes of sport fishing vessels, and the areas or distances from the shore within which each class of sport fishing shall operate.</p>

<p>Fishery Scientific Research and test fishing operations or surveys.</p>	<p>26.(1) The Director may, on the submission of an application accompanied by a satisfactory research or test fishing operations or survey plan, as the case may be, and subject to such other requirements as may be prescribed, authorize any vessel or person to undertake—</p> <ul style="list-style-type: none"> <li>(a) fishery scientific research; or</li> <li>(b) exploratory fishing</li> <li>(c) Test fishing operations or surveys, in the Migori County fishery waters.</li> </ul> <p>(2) The Director may impose such conditions as he deems fit to any authorization granted under subsection (1).</p> <p>(3) Any authorization granted under this section shall be in writing and shall state all the terms and conditions of the authorization.</p> <p>(4) Any person who undertakes or assists in any fishery scientific research or test fishing operations or surveys in the Migori County fisheries waters—</p>
	<ul style="list-style-type: none"> <li>(a) without authorization under subsection (1); or</li> <li>(b) in contravention of any requirements or any conditions attached to the authorization under subsection (2),</li> </ul> <p>commits an offence and shall be liable on conviction to a fine not exceeding three hundred and fifty thousand shillings or imprisonment for a term not exceeding two years or to both.</p>
	<p>PART V— ENFORCEMENT</p>

Powers of  
authorised  
officers.

27.(1) For the purpose of enforcing this Act and any regulations made there under, any authorized officer may, without a warrant —

- (a) Stop, board and search any fishing vessel, transport vessels in the Migori county fisheries waters,
- (b) Question any person aboard about the cargo, contents of holds and storage spaces, voyage and activities of the vessel;
- (c) require to be produced, examine and take copies of any licence, logbook, record or other document required under this Act or concerning the operation of any vessel;
- (d) make an entry dated and signed by him in any vessel's log;
- (e) give directions to the master and any crew member of any vessel stopped, boarded or searched as may be necessary or expedient for any purpose specified in this Act or to provide for the compliance of the vessel or the master or any crew member thereof with the conditions of any licence;
- (f) stop, enter and search any vessel, vehicle or which, on reasonable grounds, he suspects is transporting fish or fish products or is being or has been used or involved in the commission of an offence against this Act or regulations made thereunder;
- (g) make such inspection or inquiry as may appear necessary to him concerning any place, premises, vessel, vehicle or in relation to which any of the powers conferred by this subsection have been or may be exercised and take samples of any fish or fish product found therein;
- (h) require to be produced, and examine, any fish, fishing net, fishing gear or explosive or other noxious thing whether on the waters or on land;
- (i) at all reasonable times enter and inspect any fish processing establishment for which a licence is held or required or any other place or premises where a related activity is authorised or conducted or in respect of which a licence or other authorisation is issued or required under this Act; and
- (j) Require to be shown or produced, and examine, any fish, fish product, fish processing device or equipment, or other thing used in fish processing or for or in connection with a related activity or such other activity for which a licence is issued or required under this Act.

(2) Any authorized officer should have a search warrant , where he has reasonable grounds to believe that an offence under this Act has been committed, may without a warrant

<p>Seizure of vessel by authorised officer.</p>	<p>28. (1) Where any vessel is seized under this Act the master and crew shall take it to the nearest or most convenient landing station which the authorised officer may designate, where the vessel may be detained pending the outcome of any legal proceedings under this Act or until its lawful release, or until it is decided not to lay any charge.</p> <p>(2) The master shall be responsible for the safety of the crew, vessel, himself and any other person on board while bringing the vessel to landing station as directed by an authorized officer.</p> <p>(3) An authorized officer may take a seized vessel to the landing station if the master fails or refuses to do so.</p> <p>(4) When the vessel is brought to the designated landing station under the provisions of paragraph (3), no action shall lie against the authorised officer or the directorate for any death, injury, loss or damage occurring while the vessel is being so brought, unless it arose from an act of the authorised officer that was outside his duties under this Act or was done maliciously.</p>
<p>Seizure of vehicle by authorised officer.</p>	<p>29. (1) Where any vehicle is seized under this Act the driver shall take it to the nearest or most convenient place for the holding of such vehicle which the authorised officer may designate, where the vehicle may be detained pending the outcome of any legal proceedings under this Act or until its lawful release, or until it is decided not to lay an information or charge.</p> <p>(2) The driver of the vehicle shall be responsible for the safety of the vehicle and for any crew, himself and any other person thereon or in while bringing the vehicle to the designated place.</p> <p>(3) An authorized officer may take the seized vehicle to the designated place if the driver refuses to do so.</p> <p>(4) When a vehicle is brought to the designated place under the provisions of subsection (3), no action shall lie against the authorised officer or directorate for any death, injury, loss or damage occurring while the vehicle is being so brought unless it arose from an act of the authorised officer that was outside his duties under this Act or was done maliciously.</p>

<p>Immobilizing of seized vessel, Vehicle.</p>	<p>30. (1) No person should be allowed to remove any part or parts of any vessel, vehicle detained under the provisions of this Act for the purpose of immobilizing that vessel, vehicle.</p> <p>(2) Any part or parts removed under subsection (1) shall be kept safely and returned to the vessel, vehicle immediately upon any lawful release.</p> <p>(3) Any person who –</p> <ul style="list-style-type: none"> <li>(a) possesses or arranges to obtain any part or parts removed under subsection (1);</li> <li>(b) possesses or arranges to obtain or make any replacement or substitute part or parts for those removed under paragraph (1);</li> <li>(c) fits or attempts to fit any part or parts or any replacement or substitute part or parts to a vessel, vehicle detained under the provisions of this Act with the intention of mobilizing the vessel or vehicle,</li> </ul> <p>Commits an offence and shall be liable on conviction to a fine not exceeding three hundred and fifty thousand shillings or to imprisonment for a term not exceeding two years.</p>
<p>Power of authorised officer to direct persons under his command.</p>	<p>31. (1) An authorised officer may, during the exercise of powers under this section, direct a person under his command to carry out such duties of an authorised officer and for such period as he may specify.</p> <p>(2) A person who receives a direction under subsection (1) shall have, for the purpose of carrying out the specified duties, all the powers and protections accorded to an authorised officer under this Act.</p>
<p>Duty to comply with instructions.</p>	<p>32. (1) The master and all members of the crew of any fishing vessel, the driver and any passenger of any vehicle shall immediately comply with every lawful instruction or direction given by an authorised officer and facilitate safe boarding, entry and inspection of the vessel, vehicle, as the case may be, and of any fishing gear, equipment, records, fish and fish products, and shall take all measures to ensure the safety of an authorised officer in the performance of his duties.</p> <p>(2) The holder of a fish processing establishment licence or the holder of any licence or other authorisation issued under this Act to conduct a related activity or other activity required to be licenced or authorised under this Act, and all persons at the establishment or place where such activity is conducted, shall immediately comply with every instruction or direction given by an authorised officer and facilitate his safe entry and inspection of the establishment or place and take all measures to ensure the safety of any authorised officer in the performance of his duties.</p>

<p>Powers beyond county fisheries waters.</p>	<p>33. (1) Where, following the commission of an offence under this Act by any person or vessel, the person or vessel is pursued to a place in the waters beyond the limits of the county fisheries waters, or if the person or vessel is otherwise pursued to a place in the waters beyond the limits of the county fisheries waters in circumstances and to the extent recognised by international law, any power conferred on an authorised officer under this Act shall be exercisable at such a place beyond the limits of the county fisheries waters:</p> <p>Provided that the pursuit shall not be terminated or interrupted at any time before the authorised officer or officers concerned arrives at such a place with a view to exercising that power.</p> <p>(2) For the purposes of subsection (1), pursuit of a person or vessel is not taken to be terminated or interrupted merely because the authorised officer or officers concerned lose sight of such person or vessel.</p> <p>(3) A reference in subsection (2) to losing sight of a person or vessel includes a reference to output from radar or other sensing device.</p>
<p>Identification of authorised officer.</p>	<p>34. An authorised officer in exercising any of the powers conferred on him by this Act shall on demand produce identification to show he is an authorised officer under this Act.</p>

<p>Compounding of offences.</p>	<p>35. (1) The CEC Member may by notice in the Gazette issue a schedule of offences under this Act or any regulations made thereunder which may be settled by the Director through compounding under subsection (2).</p> <p>(2) The Director or any Fisheries officer may, if he is satisfied that a person has committed any of the offences listed in the notice issued under in subsection (1), and if the person admits the commission of the offence and agrees in writing to its being dealt with under this section—</p> <p>(a) compound the offence by accepting and receipting an amount of money equivalent to the maximum possible fine for that offence if it were to be taken before a court of law; or</p> <p>(b) order the release of any vessel or any other thing, seized in connection with the offence, on payment of a sum of money not exceeding the value of the vessel, or, if the value of such a thing is small, such person shall be liable to pay a fine not exceeding ten thousand shillings:</p>
	<p>Provided that any illegal gear seized by the fisheries officer shall not be released.</p> <p>(3) Where proceedings are brought against any person for an offence under this Act, it shall be a good defence if the person proves that the offence has been compounded under this section.</p> <p>(4) Where any person is aggrieved by an order made under subsection (2), he may within thirty days of such order being made, appeal against such order to the High Court and the provisions of the Criminal Procedure Act in relation to appeals shall apply mutatis mutandis to every such appeal as if it were an appeal against sentence passed by a subordinate court in exercise of its own original jurisdiction.</p> <p>(5) Any fisheries officer who compounds an offence shall submit to the Director a list of compounded offences in the prescribed manner.</p> <p>(6) The Director shall, after every three months and in such form as the Director of Public Prosecutions may direct, submit to the Director of Public Prosecutions a return of all compounded offences compounded during that period</p>

<p>Offences committed against an authorized officer.</p>	<p>36. Any person who —</p> <ul style="list-style-type: none"> <li>(a) assaults, obstructs, resists, delays, refuses boarding or entry, intimidates or fails to take all reasonable measures to ensure the safety of or otherwise interferes with, an authorised officer, in the performance of, his duties, or any person lawfully acting under the order of the authorised officer or in his aid;</li> <li>(b) fails to comply with any lawful order, requirement or request of an authorised officer or otherwise contravenes section 53 or section 54;</li> <li>(c) uses threatening language or behaves in a threatening manner or uses abusive language towards an authorised officer while in the execution of his duties, or any person lawfully acting under the order of the authorised officer or in his aid;</li> <li>(d) incites or encourages any other person to assault, obstruct, resist, delay, refuse boarding or entry, intimidate or otherwise interfere with an authorised officer while carrying out his duties, or any person lawfully acting under the order of the authorised officer or in his aid;</li> <li>(e) knowingly furnishes to an authorised officer any particulars which are false or misleading in any respect;</li> <li>(f) impersonates or falsely represents himself to be the master or other officer of a fishing vessel;</li> <li>(g) resists lawful arrest;</li> <li>(h) interferes with, delays or prevents by any means, the lawful apprehension or arrest of another person under this Act; or</li> <li>(j) is in breach of any duty to the authorised officer required under this Act,</li> </ul> <p>commits an offence and shall be liable on conviction to a fine not exceeding three hundred and fifty thousand shillings or imprisonment for a term not exceeding two years, or to both.</p>
<p>Impersonating an authorised officer.</p>	<p>37. Any person who impersonates or falsely represents himself to be an authorised officer commits an offence and shall be liable on conviction to a fine not exceeding one million shillings or to imprisonment for a term not exceeding two years, or to both.</p>

<p>Destruction of evidence and avoidance of seizure.</p>	<p>38. Any person who —</p> <p>(a) being on board any vessel being pursued, about to be boarded or which has been notified of intended boarding by any authorised officer, or</p> <p>(b) being in a fish processing establishment or a place or premises where a related activity is conducted or in relation to which a licence, permit or other authorisation is issued or required under this Act, throws overboard, discards or destroys any fish, fish products, fishing gear, explosive, poison, noxious substance, chart, log, document or other thing with intent to avoid the seizure thereof or the detection of any offence against this Act,</p> <p>commits an offence and shall be liable for on conviction to a fine not exceeding three hundred and fifty thousand shillings or imprisonment for a term not exceeding two years, or to both.</p>
<p>Receiving fish in respect of which offence has been committed.</p>	<p>39. Any person who for purposes of trade and commerce receives or retains any fish knowing or having reason to believe that an offence under this Act has been committed in respect thereof commits an offence and shall be liable on conviction to a fine not exceeding three hundred and fifty thousand shillings or imprisonment for a term not exceeding two years, or to both.</p>
	<p>PART VI — PROSECUTION, HANDLING OF SEIZED GOODS AND EVIDENCE</p>
<p>Conduct of prosecutions. Cap. 75</p>	<p>40. Any authorized officer may, subject to the direction of the Director of Public Prosecutions , conduct any prosecution for any offence under this Act or the regulations made there under and shall for that purpose have all the powers conferred upon a public prosecutor by the Criminal Procedure Code.</p>

<p>Forfeiture and disposal of perishables.</p>	<p>41. (1) If any fish or other thing of a perishable nature is seized under this Act, the Director may, notwithstanding any other provision of this Act—</p> <ul style="list-style-type: none"> <li>(a) return the fish or other thing to the person from whom it was seized on receiving adequate cash security equivalent to the value of the fish or thing; or</li> <li>(b) cause the sale of the fish or other thing at a price which is reasonable in the circumstances, and, if court proceedings are instituted, pay the proceeds of the sale into a suspense account of the directorate pending a court order in respect of the forfeiture of the proceeds or, if no proceedings are instituted, release the proceeds to the person from whom the fish or other thing was seized:</li> <li>(c) Provided that if, after making all reasonable efforts, the Director is unable to sell the fish or other thing, or where such fish or other things are unfit for sale, he may dispose of the same in such other manner as he deems fit, including by destruction after inviting the owner.</li> </ul>
	<p>(2) The Director may depending on the circumstances, release or destroy live fish seized under this section.</p>

<p>Treatment of seized goods.</p>	<p>42. (1) If any vessel, vehicle or other thing has been detained or seized in terms of paragraph 51 (2) (g), and -</p> <ul style="list-style-type: none"> <li>(a) a person who has been properly charged with an offence in relation thereto fails to appear to answer the charge within ninety days of the detention or seizure, the Director may apply to the court for the vessel, vehicle, or other thing to be forfeited to the County government, and the court shall make such order as it shall deem fit.</li> <li>(b) the lawful owner cannot be traced within fourteen days in case of a fishing gear and ninety days in case of a vessel of such seizure, the same shall be forfeited to the County Government and may be disposed in such a manner as the Director may consider appropriate.</li> <li>(c) the court does not order the forfeiture of it, any proceeds realized from its disposal shall be returned to the owner thereof or the person having the possession, care or control of it at the time of such detention or seizure.</li> </ul>
	<p>(2) If the owner of a vessel, vehicle, or thing or the person having the possession, care or control of it at the time of its seizure or detention is convicted of an offence in terms of this Act and a fine is imposed, the vessel, vehicle or thing may be detained until all fines, orders for costs and penalties imposed in terms of this Act have been paid.</p> <p>(3) If any payment contemplated in subsection (2) is not made within such time as the court may determine, the vessel, vehicle, or thing may be sold in satisfaction and the proceeds shall be dealt with in accordance with section 43.</p> <p>(4) Any vessel, vehicle, or other thing ordered to be forfeited in terms of this Act may, if no appeal has been lodged at the expiry of the time limited for appeal in a court, be disposed of in the manner that the CEC Member may determine.</p>

Application of Security.	<p>43. Any security or net proceeds of sale held in respect of any vessel, vehicle, or other thing shall be applied as follows—</p> <ul style="list-style-type: none"> <li>(a) the discharge of any forfeiture ordered;</li> <li>(b) the payment of all fines or a contribution towards such a fine, for offences in terms of this Act or penalties imposed in terms of this Act, arising out of the use of or in connection with the vessel, vehicle, or other thing;</li> <li>(c) the discharge of all orders for costs in proceedings in terms of this Act arising out of the use of or in connection with the vessel, vehicle, or other thing; and</li> <li>(d) if any sum remains, return to the owner of such goods.</li> </ul>
Liability for the loss, damage or deterioration of things in custody.	<p>44. The Directorate shall be liable to any person for any loss, damage to or deterioration in the condition of any vessel, vehicle, or other thing while in the custody of the Directorate in terms of this Act.</p>
Removal from Custody.	<p>45. (1) Any person who knows or can reasonably be expected to know that a vessel, vehicle, or other thing is held in the custody of the Directorate in terms of this Act and who removes it commits an offence.</p> <p>(2) If any vessel, vehicle, or other thing held or forfeited in terms of this Act has been unlawfully removed from the custody of the Directorate it shall be liable to seizure in accordance with any relevant law.</p>
Forfeiture.	<p>46. A court which convicts any person of an offence under this Act may, in addition to any penalty otherwise imposed—</p> <ul style="list-style-type: none"> <li>(a) order anything other than immovable assets used in connection with the offence, including any vessel so used together with its fishing gear, stores and cargo, appurtenances as well as anything in respect of which the offence has been committed, to be forfeited;</li> <li>(b) order all fish found on board any vessel or vehicle used in connection with the offence to be forfeited, except that any fish that is proved not to have been caught in the course of the commission of an offence shall not be forfeited.</li> </ul>

<p>Certificate of evidence.</p>	<p>47. (1) The Director may give a certificate stating—</p> <ul style="list-style-type: none"> <li>(a) that an appended document is a true copy of the licence, permit, authorization or certificate of registration issued to a vessel or person;</li> <li>(b) that a particular location or area of water was within the county fisheries waters or within any other controlled area of the county fisheries waters subject to specified conditions;</li> <li>(c) that an appended chart shows the boundaries of the county fisheries waters, or other areas delineated for any specified purpose;</li> <li>(d) that a particular item or piece of equipment is fishing gear;</li> <li>(e) the cause or manner of death of or injury to any fish;</li> </ul> <p>or</p> <p>(2) A certificate given under subsection (1) shall state the name of the authorised officer making the certificate and —</p> <ul style="list-style-type: none"> <li>(a) his address and official position,</li> <li>(b) the name and call sign, if known, of the fishing vessel concerned;</li> </ul>
	<ul style="list-style-type: none"> <li>(c) the place or area in which the vessel was located, and</li> <li>(d) the date and time or period of time the vessel was in the place or area stated in paragraph (c) and</li> </ul> <p>(3) Any certificate given under this section shall be headed “Certificate Given Under section 47 of the Fisheries and Aquaculture Management Act”.</p> <p>(4) The provisions under this section are in addition to and not in derogation from Cap. 80 any requirement for admissibility of evidence as provided for in the Evidence Act.</p>

Effect of conviction	<p>48. (1) The conviction of the holder of a licence, permit or certificate of registration or his authorised agent for any offence under the Act or any regulation made thereunder shall, unless the Director in writing otherwise directs, have the effect of cancelling the licence, permit or certificate of registration and such instrument shall cease to be valid from the moment of conviction.</p> <p>(2) Any person convicted of an offence under the Act or these Regulations shall, unless the Director in writing otherwise directs, stand disqualified from holding a licence, permit or certificate of registration related to the provisions under which he has been convicted, for a period of two years from the moment of conviction.</p> <p>(3) The holder of any licence, permit or certificate or registration which is cancelled pursuant to paragraph (1) shall, within fourteen days from the date of conviction, surrender the licence, permit or certificate of registration or any document evidencing permission or authority to engage in business for which authority is required under the Act or these Regulations to a licensing officer.</p>
	<p>(4) The licensing officer shall record the surrender of the instrument in the appropriate register.</p> <p>(5) Any person who contravenes this regulation shall be guilty of an offence and liable to a fine not exceeding one thousand shillings or to imprisonment for a term not exceeding three months or to both.</p>
	PART VII – THE FISHERIES DEVELOPMENT TRUST FUND

<p>F i s h e r i e s Revolving Fund</p>	<p>49. (1) There is hereby established a fund to be known as the Fisheries Development Trust Fund which shall be administered by a composition of board of trustees.</p> <p>(2) The object of the fund shall be to facilitate research and technological developments, conservation efforts, development of essential fisheries and aquaculture infrastructure, capacity building intended to further the development of fisheries and aquaculture management,</p> <p>(3) The CEC shall by notice in the gazette provide the mode of administration of the fund established under subsection 1</p> <p>(4) There shall be paid into the fund:</p> <p>(a) monies levied on licence and permit holders as shall be determined by the board of Trustees</p> <p>(b) such monies as may be provided by the county assembly</p> <p>(c) such sums of money as may be received by the Fund in the form of donations, endowments, grants and gifts from whatever source and specifically designated for Fund; and</p> <p>(d) such other sums of money or other assets as may be specifically designated to the Fund by the county assembly.</p>
	<p style="text-align: center;"><b>PART VIII —PREVENTION OF POLLUTION AND PROTECTION AND CONSERVATION OF COUNTY FISHERY WATERS</b></p>
<p>Pollution Prevention Zone.</p>	<p>50. For purposes of protecting the aquatic environment and ecology, the county fishery waters are hereby declared to be a pollution prevention zone.</p>
<p>Discharge of Pollutants prohibited.</p>	<p>51. (1) Except in the cases of emergency involving the safety of a fishing craft or crew, no person shall intentionally or negligently place or discharge into County fishery waters</p> <p>(2) Unless it is provided otherwise, the provisions of section 93 of the Environment Management and Co-ordination Act, 1999, shall apply to offences involving discharge of pollutants under this Act.</p>

Placing of live fish.	<p>52. (1) No person shall place or by act of omission cause to be placed any species of live fish in any body of water without authorization issued in writing by the Director, except where —</p> <p>(a) the fish species being so placed previously occurred in the same body of water prior to being fished therefrom; or</p> <p>(b) a fish farmer is stocking his pond with fish obtained from another fish farmer with whom he shares the same water catchment area.</p> <p>(2) Any person who contravenes this section commits an offence and is liable on conviction to a fine not exceeding three hundred and fifty thousand shillings or to imprisonment for a term not exceeding two years, or to both.</p>
	PART IX—AQUACULTURE DEVELOPMENT
Regulations for Aquaculture.	<p>53. The Director may with the approval of the CEC Member, by notice in the Gazette, and for purposes of proper management of aquaculture make regulations outlining-</p>
	<p>(a) fish hatchery standards;</p> <p>(b) qualifications of persons authorized to offer aquaculture extension service;</p> <p>(c) the mode of establishment of fish cages or any such form of aquaculture establishment in Migori county fishery waters.</p> <p>(d) aquaculture extension systems;</p> <p>(e) mode of operations of commercial aquaculture Establishments</p> <p>(f) fish disease surveillance, control and management in aquaculture establishments;</p> <p>(g) codes of practice for fish farmers; or</p> <p>(h) any other measure that he deems necessary for the proper management of aquaculture.</p>
Co-operation with other bodies.	<p>54. The Director may co-operate with other bodies which deal with fisheries in neighboring counties for the purposes of—</p> <p>(a) preventing the escape of cultured species into shared water bodies; and</p> <p>(b) Protecting the fisheries from effluents which might affect the shared water bodies.</p>
	PART X—FISH SAFETY AND QUALITY

Devolved  
Competent  
Authority.

55. (1) The county Department responsible for Fisheries shall be the Devolved Competent Authority responsible for the official control of the safety of fish, fishery products and fish feed in Migori County in consultation with the National Competent Authority

(2) The management of the Devolved Competent Authority in matters related to this Act shall be the responsibility of County level standing and technical committees.

(3) The functions of the devolved competent authority shall be to—

- (a) convene on a regular basis the meetings of the standing and technical committees;
- (b) monitor the production of, fishery products and fish feed with a view to assessing risks to humans;
- (c) control fish handling, landing, , processing and marketing;
